Unfaithful, unfaithful the whole town knows
You're breaking my heart secretly
Unfaithful, unfaithful your cheatin' shows
You care for me so carelessly.

You take any chance for a new romance
They whisper wherever you go
Unfaithful, unfaithful your lies go on
While I go on loving you so.

--- Instrumental ---

You take any chance for a new romance
They whisper wherever you go
Unfaithful, unfaithful your lies go on
While I go on loving you so...
