Memories that linger in my heart
Memories that make my heart grow cold
Someday we'll live them all again
When my blue moon again will turn to gold.

Chorus:

When my blue moon turns to gold again
When the raindrops turn the clouds away
When my blue moon turns to gold again
You'll be back here in my arms to stay.

The castles we built in dreams together
Tell the sweetest story ever told
Someday we'll live them all again
When my blue moon again will turn to gold.

Chorus:

When my blue moon turns to gold again
When the raindrops turn the clouds away
When my blue moon turns to gold again
You'll be back here in my arms to stay.

The lips that used to thrill me so
Your kisses were meant for only me
Someday we'll live them all again
When my golden moon is just a memory.

Chorus:

When my blue moon turns to gold again
When the raindrops turn the clouds away
When my blue moon turns to gold again
You'll be back here in my arms to stay...
