[Verse 1 - Pastor Troy]

Yeah, Friday night (yeah)
Yeah, ballin holmes (yeah)
Got a nigga smellin fresh as a rose
Grab my kicks and tuck my clothes (cause y'all!)
Sharp as a knife, and this is the life
Pastorrr, ya tell me how ya love that?
Let a nigga see that pussy crack, where you at? (uh)
The dance flo' (yeah) that's my shit (yeah)
Baby girl let ya hair down
Show a nigga what you workin wit, twerkin wit
I ammm low-key
You don't wanna leave? (c'mon baby)
You don't wanna go back to the suite (c'mon)
Let you caress my feet, huh
Now what you wanna know?

[Chorus]

[Verse 2 - Pastor Troy]

Off the chain!

Damn! Damn boo

Where ya been all my lifetime?

Let me fuck ya 'til the sun shine (uh huh) uh huh (uh huh)

What I do? (whoaa) Mind my bizz

No I can't take ya home wit me

Baby girl, it is what it is, show biz

Saturday morn' (damn!) damn I'm weak

Knew whassup when you came to the room

Talkin about gettin some sleep

She's the, the-truth, shorty got loose

Sorry, but all I needed was a pretty red substitute

[Chorus]

[Verse 3 - Ms. Jade]

What you talkin?

I, bring heat when it's hawkin

Cause I, can't stand a man that don't understand

I'm weighing kilos and grams the bitch wit the upper-hand

I'm, bout to kill it; you, dealin wit the realest

Fuck the strawberry's and chocolate (ohh)

Hennessy and a condom, say they kissin and grindin

It's all about the timin; I, really like "Vice Versa"

But, tonight's much worsen, and um

Philly chick you only travel wit for best of men

Hand me out Atlanta just to see you in your belt and

Timb's

Pastor Troy, won't you just pass the boy

In a, split second I'm answerin all questions

You dummies are still confessin how money make you undress

And so tell me

[Chorus] - repeat to fade
