A BLOSSOM FELL

(Howard Barnes-Harold Cornelius-Dominic John)

A blossom fell, from off a tree  
It settled softly on the  
lips you turned to me  
The gypsies say, and I know why  
"A falling blossom only touches lips that lie"  
A blossom fell, and very soon  
I saw you kissing someone new  
beneath the moon  
I thought you loved me, you said you  
loved me  
We planned together to dream forever  
The dream has ended, for true love died  
The night a blossom fell  
and touched two lips that lied  
(Orchestral Break)  
A blossom fell, and very soon  
I saw you kissing someone new  
beneath the moon  
I thought you loved me,  
you said you loved me  
We planned together to dream forever  
The dream has ended, for true love  
died  
The night a blossom fell  
and touched two lips that lied
