I CAN'T HELP IT (IF I'M STILL IN LOVE WITH YOU)

(Hank Williams)

© '51 Fred Rose Music

Today I passed you on the street and my heart fell at
your feet

I can't help it if I'm still in love with you

Somebody else stood by your side and he looked so
satisfied

I can't help it if I'm still in love with you

A picture from the past came slowly stealing

As I brushed your arm and walked so close to you

Then suddenly I got that old time feeling I can't help it
if I'm still in love with you

It's hard to know another's lips will kiss you and hold
you just the way I used to do

Oh heaven only knows how much I miss you I can't help
it if I'm still in love with you
