Just like old times you were here last night and gone  
was my worry and care  
When I awoke I knew then that I had dreamed of an old  
love affair  
I was alone in the darkness my dear many dreams ago  
you left me there  
Sunlight told me you were gone and I had dreamed of  
an old love affair  
[ fiddle - piano - steel ]  
I've been so lonely since you've been gone I loved you  
with all of my heart  
Heaven was mine when you smiled last night and said  
that we'd take a new start  
Life seems so empty and useless my dear if it's sun or  
rain I just don't care

Sunlight told me you were gone and I had dreamed of  
an old love affair
