POP A TOP

Writer Nat Stuckey

Pop a top again I just got time for one more round Sit
em up my friends Then I'll be gone Then you can let
some other fool sit down I'd like for you'd to listen to a
joke I heard today From a woman who said she was
through and calmly walked away I'd tried to smile and
did a while it felt so outta place Did you ever hear of a
clown with tears drops streaming down his face. Pop a
top again I think I'll have another round Sit em up my
friend Then I'll be gone and you can let some other fool
sit down. Home for me is misery and here I am wasting
time Cause a row of fools on a row of stools is not
what's on my mind But then you see her leaving me it's
not what I prefer So it's either here just drinking beer or
at home remembering her. Pop a top again I think I'll
have another round Sit em up my friend Then I'll be
gone and you can let some other fool sit down Pop a
top again.
