SHE THINKS I STILL CARE

Writer Dickey Lee

Just because I asked a friend about her
Just because I spoke her name somewhere
Just because I rang her number by mistake today
She thinks I still care
Just because I haunt the same old places
Where the mem'ries of her lingers everywhere
Just because I'm not the happy guy I used to be
She thinks I still care
But if she's happy thinking I still need her
Then let that silly notion bring her cheer

But how could she ever be so foolish
Oh where could she get such an idea
Just because I asked a friend about her
Just because I spoke her name somewhere
Just because I saw her then went all to pieces
She thinks I still care
She thinks I still care
