THERE'S A LITTLE BIT OF EVERYTHING IN TEXAS

Writer Ernest Tubb

There's a little bit of everything in Texas just look
around and you will see
There's a little bit of everything in Texas and a whole
lot of Texas in me
There are forty seven states around there
And each of them have treasures of their own
And everything they boast of I sure found it
But we've got them all right here at home
Now if you love old sunny California or perhaps the hills
of Tennessee
No matter what you love just come to Texas and I'll bet
my boots you will agree
There's a little bit of everything in Texas and really I'm
not bragging you see
There's a little bit of everything in Texas and a whole
lot of Texas in me
Now if you love old sunny California...
