Till then, oh darling, please wait for me
Till then, no matter when it will be
One day I know I'll be back again
Please wait till then

Our dreams will live though we are apart
Our love, I know we'll keep in our hearts
Till then when all the world will be free
Please wait till then

Although there are oceans we must cross
And mountains that we must climb
I know every gain must have a loss
Let's pray that our loss is nothing but time

Till then, let's dream of what there will be
Till then, we'll call on each memory
Till then, when I will hold you again
Please wait till then

Although there are oceans we must cross
And mountains that we must climb
I know every gain must have a loss
Let's pray that our loss is only in time

Till then, let's dream of what there will be
Till then, we'll call on each memory
Till then, when I will hold you again
Please wait till then
