WHERE IS YOUR HEART TONIGHT

(Boudleaux Bryant - Benny Martin - Robert Castellow)

© '51 Acuff-Rose Music

Where is your heart tonight you look at me with eyes  
that do not see  
Where is your heart tonight mhm some love thief must  
have stolen it from me  
Yes tomorrow you'll be different I'm hoping you'll end it  
all that everything's all right  
But now though I'm holding you tight I wonder dear  
where is your heart tonight

Tomorrow you'll be different...
