Should you go first and i remain, to walk the road alone  
Ill live in memory's garden dear, with happy days we've  
known  
In spring i'll wait for roses red, when faith the lilacs  
bloom  
And in early fall when brown leaves fall,  
I'll catch a glimpse of you  
Should you go first and i remain, for battles to be  
fought  
Each thing you've touched along the way, will be a  
hallowed spot  
I'll hear your voice ill see your smile  
Though blindly i may grope  
The memory of your helping hand, will buoy me on with  
hope  
(c)beyond the sunset oh blissful (g)morning  
When with our saviour, heaven is be(c)gun  
Earths toiling ended, oh glorious (f)dawning  
Beyond the (c)sunset (g)when day is (c)done  
Should you go first and i remain, to finish with the  
scroll  
No lessening shadows shall ever creep in  
To make this life seem droll  
We've known so much of happiness, we've had our cup  
of joy  
And memory is one gift of god, that death cannot  
destroy  
I want to know each step you take, that i may walk the  
same  
For someday down that lonely road, you'll hear me call  
your name  
Should you go first and i remain, one thing ill have you  
do  
Walk slowly down that long long path, for soon ill follow  
you  
(c)in that fair homeland we'll know no (f)parting  
Beyond the (c)sunset (g)for ever (c)more
