This is a really good song that I have liked since the very first time I ever heard it. hope you enjoy it. I do it in the key of e but hank does it in d as best as I can tell.

Don't do it darlin (key of d)

(d)if you're worryin over me like Ive worried over you
Don't do it (a)darlin, don't do it (d)darlin
If you think Im missin you and Im missin kissin you
Don't do it (a)darlin, don't do it (d)darlin

I (g)gave my heart to you my dear and (d)trusted you
and then
You (a)took my heart and played with it and (e)now you
say were through
If you (d)think Im all alone and you feel the urge to
phone
Don't do it (a)darlin, don't do it (d)darlin

If you're worryin over me like Ive worried over you
Don't do it darlin, don't do it darlin
If you think Im missin you and Im missin kissin you
Don't do it darlin, don't do it darlin

I gave my heart to you my love, I trusted it with you
You took my heart you played with it and now you say
were through
Now that you are all alone and you feel the urge to
phone
Don't do it darlin, don't do it darlin
