Death is an angel sent down from above sent for the
buds of the flowers we love
But every bud and each blossom some day
Will bloom as a flower in the Master's bouquet

Gathering flowers for the Master's bouquet beautiful
flowers that will never decay
Gathered by angels then carried away forever to bloom
in the Master's bouquet

Loved ones are passing each day and each hour
passing away as the life of a flower
Taken and cared for in heaven's own way forever to
bloom in the Master's bouquet

Gathering flowers for the Master's bouquet...beautiful
flowers that will never decay
Gathered by angels then carried away forever to bloom
in the Master's bouquet
