Honey, do you love me, huh?
Honey, do you love me, huh?
Do you want to marry, got no time to tarry?
Honey, do you love me, huh?

Quit your hesitatin'
I'm tired of waitin'
Honey, do you love me, huh?

Honey, won't you hold me tight?
Honey, won't you hold me tight?
That ole moon above, was just made for love
Honey, won't you hold me tight?

Start your turtle dovein'
I need a little lovin'
Honey, won't you hold me tight

Honey, do you love me, huh?
Honey, do you love me, huh?
Do you want to marry, got no time to tarry?
Honey, do you love me, huh?

Quit your hesitatin'
I'm tired of waitin'
Honey, do you love me, huh?
