I ain't gonna love you anymore
by Hank Williams
(D)No need for you to set alone,
just(G) waiting by your telephone
Cause(A7) I ain't gonna call you any(D) more.
(D)Oh I gave you love and you broke my heart,
And you(G) cheated on me from the start.
And(A7) now I ain't gonna love you any(D) more.

CHORUS

I(G) mean I ain't gonna love you any(D) more,
I know I couldn't love you as(A7) before.
So(D) I'm gonna tell you goodbye,
Don't(G) mind these tears there in my eyes
Cause(A7) I ain't gonna love you any(D) more

(D) My darlin' I just worship you,
and(G) look what you have loved me thru.
You(A7) left me with a heart so sick and(D) sore.
(D) Oh you're the one that was unfair,
It(G) wasn't in you to play square.
And(A7) now I ain't gonna love you(D) anymore.
(Repeat Chorus)
