I Can't Help it (if I'm Still in Love with You) by Hank
Williams
Today I
Passed you on the street and my heart fell at your feet
I can't help it if I'm still in love with you
Somebody else stood by your side and he looked so
satisfied
I can't help it if I'm still in love with you

A picture from the past came slowly stealing

As I brushed your arm and walked so close to you

I can't help it if I'm still in love with you

It's hard to know another's lips will kiss you
And hold you just the way I used to do
Oh, heaven only knows how much I miss you
I can't help it if I'm still in love with you
