I can't get you off of my mind  
When I try, I'm just wastin' my time  
Lord, I've tried and I've tried and all night long I've  
cried  
But I can't get you off of my mind

Well, you think you would leave me behind  
But I guess you're the good timin' kind  
Do you think that it's smart to jump from heart to heart  
When I can't get you off of my mind

I can't get you off of my mind  
When I try, I'm just wastin' my time  
Lord, I've tried and I've tried and all night long I've  
cried  
But I can't get you off of my mind

You believe that a true love is blind  
So you fool every new love you find  
You've got stars in your eyes, but they can't hide the  
lies  
I can't get you off of my mind

I can't get you off of my mind  
When I try, I'm just wastin' my time  
Lord, I've tried and I've tried and all night long I've  
cried  
But I can't get you off of my mind
