Ever' time I see her passin' by
All I do is hang my head & cry
And I can't forget her though I try
All I do is hang my head & cry

Golden love, oh, golden love you've gone
But each precious moment lingers on
And my weary heart keeps askin' why
All I do is hang my head & cry

Ever' time I see her passin' by
All I do is hang my head & cry
And I can't forget her though I try
All I do is hang my head & cry

Foolish pride, oh, pride what have you done
You have made me lose the only one
And my weary heart keeps askin' why
All I do is hang my head & cry
