I heard my Saviour calling me
He saved my soul, He set me free
I know He'll never let me fall
Praise out, I heard my Saviour call

I was a sinner, traveling on a weary road
So far from home
But now sweet heaven is my all
Praise out, I heard my Saviour call

I heard my Saviour calling me
He saved my soul, He set me free
I know He'll never let me fall
Praise out, I heard my Saviour call

I'm on my way to better land
And there I'll join that heavenly band
All through the ages I will sing
Hosanna is my heavenly King

I heard my Saviour calling me
He saved my soul, He set me free
I know He'll never let me fall
Praise out, I heard my Saviour call
