I just don't like this kind of living  
I'm tired of doin' all the givin'  
I give my all and sit and yearn  
And get no lovin' in return  
And I just don't like this kind of living

Why do we stay together  
We always fuss and fight  
You ain't never known to be wrong  
And I ain't never been right

Tell me where you think we're goin'  
Cause I ain't got no way of  
knowin'  
When things go wrong, you go your way  
You leave me here, to pay and pay  
And I just don't like this kind of living

I just don't like the things you're  
doin'  
Your evil heart will be your ruin  
When things start runnin' smooth and free  
You haul right off and you pick on me  
And I just don't like this way of living

They say, the road of love is long  
It's rocky and it's rough  
But if this road don't start to get smooth  
I've traveled it long enough

Why don't you act a little older  
And get that chip off, of your shoulder  
I've told you once, now I'll tell you twice  
You better start to treat me nice  
Cause I just don't like this way of living
