Recorded by hank williams

Written by hank williams and fred rose

Capo: 1st fret key: f# play: f

Now youre [f] lookin at a man thats gettin kind-a mad

I had lots of luck but its all been bad

No [c7] matter how I struggle and strive

Ill never get out of this world a-[f] live.

My fishin poles broke the creek is full of sand

My woman run away with another man

No matter how I struggle and strive

Ill never get out of this world alive.

A [bb] distant uncle passed away [bb7] and [f] left me
quite a batch [f7]

And [bb] I was living high until that fatal [bb7] day

A lawyer [c7] proved I wasnt born

I was only hatched.---[f]

Evrythings agin me and its got me down

If I jumped in the river I would probly drown

No matter how I struggle and strive

Ill never get out of this world alive.

These shabby shoes Im wearin all the time

Are full of holes and nails

And brother if I stepped on a worn out dime

I bet a nickel I could tell you if it was heads or tails.

Im not gonna worry wrinkles in my brow

cause nothins ever gonna be alright nohow

No matter how I struggle and strive

Ill never get out of this world alive.

(additional verses)

I could buy a sunday suit and it would leave me broke

If it had two pair of pants I would burn the coat

No matter how I struggle and strive

Ill never get out of this world alive.

If it was rainin gold I wouldnt stand a chance

I wouldnt have a pocket in my patched up pants
No matter how I struggle and strive
Ill never get out of this world alive.
