we've been sweethearts for so long  
but now you say we're through,  
the love we shared is now a memory.  
i had built a ship of dreams  
and planned them all for you,  
and now,  
i guess,  
what is to be will be.

i'll sail my ship alone  
with all the dreams i own,  
drifting out across the ocean blue.  
i'll sail my ship alone,  
though all the sails you've torn,  
and when it starts to sink  
then i'll blame you.

i'm just like a ship at sea  
that's lost without a sail,  
the dark clouds hide the sun from up above.  
and even with these broken dreams  
my heart will never fail,  
for deep inside there's only one true love.

i'll sail my ship alone  
with all the dreams i own,  
drifting out across the ocean blue.  
i'll sail my ship alone,  
though all the sails you've torn,  
and when it starts to sink  
then i'll blame you.

gave a message to the wind  
to take back home to you,  
hoping you would hear my s.o.s.  
maybe you would come back home,  
my darling,  
if you knew how much my aching heart  
is in distress.

i'll sail my ship alone  
with all the dreams i own,

drifting out across the ocean blue.  
i'll sail my ship alone,  
though all the sails you've torn,  
and when it starts to sink  
then i'll blame you.
