In this world of sorrow, I've seen trouble and woe
When I get to glory, I'll see no more
For I know my prayers have not been in vain
When I get to glory, I'm gonna sing, sing, sing

When I get to glory, I'm gonna sing, sing, sing
I'm gonna let the Hallelujahs ring
I'm gonna praise my blessed Savior's name
When I get to glory, I'm gonna sing, sing, sing

Sometimes I get so weary inside
Then I recall how my Jesus died
Up there I know, there'll be no pain
When I get to glory, I'm gonna sing, sing, sing

When I get to glory, I'm gonna sing, sing, sing
I'm gonna let the Hallelujahs ring
I'm gonna praise my blessed Savior's name
When I get to glory, I'm gonna sing, sing, sing

Up there no tears will blind my eyes
And I'll walk along by my Jesus' side
I'll meet my loved ones all once again
When I get to glory, I'm gonna sing, sing, sing

When I get to glory, I'm gonna sing, sing, sing
I'm gonna let the Hallelujahs ring
I'm gonna praise my blessed Savior's name
When I get to glory, I'm gonna sing, sing, sing
