When I get to glory, I'm gonna sing, sing, sing  
I'm gonna let the Hallelujah's ring  
I'm gonna praise my blessed Savior's name  
When I get to glory, I'm gonna sing, sing, sing

In this world of sorrow, I've seen trouble and woe  
When I get to glory I'll see no more  
For I know my prayers have not been in vain  
When I get to glory, I'm gonna sing, sing, sing

Sometimes I get so weary inside  
Then I recall how my Jesus died  
Up there I know, there'll be no pain  
When I get to glory, I'm gonna sing, sing, sing

When I get to glory, I'm gonna sing, sing, sing  
I'm gonna let the Hallelujah's ring  
I'm gonna praise my blessed Savior's name  
When I get to glory, I'm gonna sing, sing, sing

Up there no tears will blind my eyes  
As I'll walk along by my Jesus side  
I'll meet my loved ones all once again  
When I get to glory, I'm gonna sing, sing, sing

When I get to glory, I'm gonna sing, sing, sing  
I'm gonna let the Hallelujah's ring  
I'm gonna praise my blessed Savior's name  
When I get to glory, I'm gonna sing, sing, sing
