[g] all my [d7] life Ive been so [g] lonesome [g7]

If [c] happiness came, I missed the [g] call

[c] all my dreams have died and [g] vanished

And [d7] now Im so tired of it [g] all.

In life and love, Ive been a failure

Too many tears thru it all

Too many broken vows and promises

And now Im so tired of it all.

Evry thing I loved, I lost, dear

Too many times Ive watched my castles fall

My life is full of regretting

And now Im so tired of it all.

From this world Ill soon be goin

No one will miss me, after all

Up there, I pray Ill find contentment

But now Im so tired of it all
