The [g] old maids waitin for leap year to come
The crooners just waitin to [c] sing
The [d7] old cows standin by the bull durham sign
Just a-waitin for the grass to turn [g] green.

The [g] bar-flys waitin for an easy mark
N the hitch-hikers waitin for a [c] ride
The [d7] life-termers waitin for a prison break
The beachcombers waitin for the [g] ride.

Farmers daughters waitin for the salesman
To take her into town
The city slickers waitin for the country boy
To lay all his money down.

You know evrything comes to a standstill
Nothin seems to make a turn
Worm must be waitin for the early bird
I guess the early birds waitin for the worm.

Nobody wants to do nothin
Just waitin to get a finger in the pie
Waitin for a call from a big quiz show
Or hopin and a-waitin and for some rich uncle to die.

Katy, she's waitin at the garden gate
The moonshiners waitin at the still
N the gamblers still waitin for that ace in the hole
I guess jacks still waitin for jill.

Evrybodys waitin for somthin
Nothing seems to turn out right
Cause the night shifts waitin for mornin
And the burglar just waitin for night.

The congregations waitin for the preacher
Preacher just waitin for the groom
The grooms just waitin for the june bride

And the brides just waitin for june.

Sunflowrs waitin for the sunshine

Violets just waitin for dew

Bees just waitin for honey

And, honey, -- Im -- just -- waitin -- for -- you.
