Just when I needed you, you left and went away  
You made my life so blue, both night and day  
You left me here behind with a troubled worried mind  
So broken hearted too, just when I needed you

I cried, I cried, I prayed, I tried  
To forget you and never call your name  
What a shame, what a shame, you're the one that was  
to blame  
You're the one that proved untrue just when I needed  
you

You said it's best we part and never love again  
And though it broke my heart, I won't complain  
You know I love you still and dear, I always will  
Although you proved untrue just when I needed you

I cried, I cried, I prayed, I tried  
To forget you and never call your name  
What a shame, what a shame, you're the one that was  
to blame  
You're the one that proved untrue just when I needed  
you

No matter where you wander, no matter what you do  
There's a longing in my heart for only you  
I love you just the same and I want you back again  
Although you proved untrue just when I needed you

I cried, I cried, I prayed, I tried  
To forget you and never call your name  
What a shame, what a shame, you're the one that was  
to blame  
You're the one that proved untrue just when I needed  
you
