Tonight down here in the valley I'm lonesome and oh  
how I feel  
As I sit here alone in my cabin I can see your mansion  
on the hill  
[ steel ]  
Do you recall when we parted the story to me you  
revealed  
You said you could live without love dear in your  
loveless mansion on the hill  
[ fiddle ]  
I've waited all through the years love to give you a  
heart true and real  
Cause I know you're living in sorrow in your loveless  
mansion on the hill  
The light shines bright from your window the trees  
stand so silent and still  
I know you're alone with your pride dear in your  
loveless mansion on the hill
