Words and music by hank williams, sr.

If the [d] wife and I are fussin, brother thats our right  
cause me and that sweet womans got a license to fight  
[d7]

Why dont you [g7] mind your own business  
(mind [d] your own business)  
cause if mind [a7] your business, then you wont be  
mindin [d] mine.

Oh, the woman on our party lines the nosiest thing  
She picks up her receiver when she knows its my ring  
Why dont you mind your own business  
(mind your own business)  
Well, if mind your business, then you wont be mindin  
mine.

If my woman stay out til two or three  
Now, brother thats my headache, dont you worry bout  
me.  
Just mind your own business  
(mind your own business)  
If mind your business, then you wont be mindin mine.

If I get my head beat black and blue  
Now thats my wife and my stove wood too  
Just mind your own business  
(mind your own business)  
If mind your business, then you wont be mindin mine.

I got a little gal that wears her hair up high,  
The boys all whistel when she walks bye.  
Mind your own buisness blah blah, you sure wont be  
minding mine.

Mindin other peoples business seems to be high-toned  
I got all that I can do just to mind my own  
Why dont you mind your own business  
(mind your own business)  
If you mind your own business, youll stay busy all the  
time.
