Words and music by hank williams, sr.

[c] I could [g7] say its over [c] now [c7]
That [f] I was glad to see you [c] go
[f] I could hate you for the [c] way Im [am] feelin
My [g7] lips could tell a lie, but my heart would [c]
know. [c7]

[f] its a sin to make me [c] cry
[g7] when you know I love you [c] so [c7]
[f] I could tell my heart that [c] I dont [am] miss you
My [g7] lips could tell a lie, but my heart would [c]
know.

I could give you all the blame
But Im sure the truth would show
I could tell this world Ive found a new love
My lips could tell a lie, but my heart would know.

I cant fool my cryin heart
cause it knows I need you so
I could tell my heart Im glad we parted
My lips could tell a lie, but my heart would know.
