There's a road that's straight and narrow  
That the saints have traveled on  
Paved with all the tribulations  
Of the martyrs that have gone

If you're grateful for their victory  
And for showin' us the way  
Then give thanks for all your blessin's  
Get on your knees and pray

Thank God for every flower and each tree  
Thank God for all the mountains and the seas  
Thank God for givin' life to you and me  
Wherever you may be, thank God

In this world of grief and sorrow  
Filled with selfishness and greed  
There remains the glory fountain  
To supply our every need

You can find it in the temple  
With a welcome on the door  
But be sure to count your blessin's  
Before you ask for more

Thank God for every flower and each tree  
Thank God for all the mountains and the seas  
Thank God for givin' life to you and me  
Wherever you may be, thank God

Be forgivin' to the wayward  
Like the Master told us to  
When He said, "Forgive them father  
For they know not what they do"

They would change their way of livin'  
If they could but understand  
So remember they're your brothers  
They need a helpin' hand

Thank God for every flower and each tree  
Thank God for all the mountains and the seas

Thank God for givin' life to you and me  
Wherever you may be, thank God
