Written and recorded by Hank Williams

Capo on 2nd fret

I was [A] sad and blue, I was [D] down-hearted, too

It [A] seemed like the [E] whole world was [A] lost [E]

And [A] I took a chance, and we [D] happened to dance

To the [A] tune of the [E] ALABAMA [A] WALTZ.

CHORUS

[D] Waltz, Waltz, the [A] ALABAMA WALTZ

[B] There all my fears and [E] tears were lost [E7]

[A] There in your arms, with [D] all of your charms

We [A] danced to the [E] ALABAMA [A] WALTZ.

CHORUS
