THE SEAMAN'S BLUES
WRITER HANK WILLIAMS

Chorus I'm on my way to Italy from the golf of Mexico
Riding on a tanker, and feeling mighty low My good
gals behind me, no lovin' for so long I'm going back to
Texas, cause that's where i belong Nights are so lonely
on the ocean There's to much time to dream of
yesterday If i could only carry out my notion Id hit the
trail for Texas right away repeat chorus I never thaut
when I was leavin' I could get so blue out on the sea But
i'll bet you after all this grievin' It's that good ol Texas
soil for me reapeat chorus
