When the road is rocky  
And you're carrying a load  
Wait for the light to shine  
If you find your friendless  
On that weary lonesome road  
Wait for the light to shine

Wait for the light to shine, shine, shine  
Wait for the light to shine  
Pull yourself together  
Keep on looking for the sign  
Wait for the light to shine

Don't forget your brother  
As you travel through the land  
Wait for the light to shine  
He may be in trouble  
And may need a helping hand  
Wait for the light to shine

Wait for the light to shine, shine, shine  
Wait for the light to shine  
Never give up hope  
Or cast your pearls before the swine  
Wait for the light to shine

Don't let trouble fool you  
And your sin will all be gone  
Wait for the light to shine  
Don't forget it's darkest  
Just before the break of dawn  
Wait for the light to shine

Wait for the light to shine, shine, shine  
Wait for the light to shine  
Keep these words before you  
As you walk the narrow line  
Wait for the light to shine
