To Canaan's land I'm on my way
Where the soul of man never dies
Where the soul... never dies
My darkest night will turn to day
Where the soul of man never dies
Where the soul... never dies.
Dear friend there'll be no sad farewells
No sad... farewells
There'll be no tear-dimmed eyes
No tear-... dimmed eyes
Where all is joy, peace and love
Where all... is joy
And the soul of man never dies
And the soul... never dies.
A garden's blooming there for me
Where the soul of man never dies
Where the soul... never dies
And I shall spend eternity
Where the soul of man never dies
Where the soul... never dies.
Dear friend there'll be no sad farewells
No sad... farewells
There'll be no tear-dimmed eyes
No tear-... dimmed eyes
Where all is joy, peace and love
Where all... is joy
And the soul of man never dies
And the soul... never dies.
Additional verses:
A love-light beams across the foam
Where the soul of man never dies
Where the soul... never dies
It shines to light the fires of home
Where the soul of man never dies
Where the soul... never dies.
My life will end in deathless sleep
Where the soul of man never dies
Where the soul... never dies
And everlasting joys I'll reap
Where the soul of man never dies
Where the soul... never dies.
I'm on my way to that fair land

Where the soul of man never dies
Where the soul... never dies
Where there will be no parting hand
Where the soul of man never dies
Where the soul... never dies.
