1st verse:

[e] the [b7] news is [e] out - all over [a] town  
That youve been [e] seen - a-runnin [b7] round  
I know that [e] I - should leave, but [a] then  
I just can't [e] go - you [b7] win a- [e] gain.

1st bridge:

This heart of [a] mine - could never [e] see  
What evrybod - y knew but [b7] me  
Just trusting [e] you - was my great [a] sin  
What can I [e] do - you [b7] win a- [e] gain.

2nd verse:

Im sorry for - your victim now  
Cause soon his head - like mine will bow  
Hell give his heart - but all in vain  
And someday say - you win again.

2nd bridge:

You have no heart - you have no shame  
You take true love - and give the blame  
I guess that I - should not complain  
I love you still - you win again.
