Jesus, I know I've neglected to do
The little things, the big things You wanted me to
I've let You down, Jesus, that's not hard to see
Jesus, oh, Jesus, don't give up on me

Stand by me Jesus, forgive me somehow
If there's any hope left, don't leave me now
I might be worth saving, I'm trying to be
Jesus, oh, Jesus, don't give up on me

It's late I know and I've made You wait
But don't turn the light out, don't lock the gate
Forgiveness and patience, that's all I need
Jesus, oh, Jesus, don't give up on me

Stand by me Jesus, forgive me somehow
If there's any hope left, please don't leave me now
I might be worth saving, I'm trying to be
Jesus, oh, Jesus, don't give up on me
Jesus, oh, Jesus, don't give up on me
