

Hank Williams & Hank Williams, Jr. "You Win Again"

Visit "[You Win Again](#)" on MotoLyrics.com

The news is out all over town that you've been seen out
running 'round
I know that I should leave but then I just can't go you
win again

This heart of mine could never see what everybody
knew but me
Just trust in you was my great sin. What can I do? You
win again

I'm sorry for your victim now 'cause soon his head like
mine will bow
He'll give his harm but all in vain and someday say you
win again

You have no heart. You got no shame. You take true
love and give the blame
I guess that I should not complain. I love you still you
win again
I love you still you win again
