To all the girls I've loved before
Who traveled in and out my door
I'm glad they came along
I dedicate this song to all the girls I've loved before

To all the girls I've once caressed
And may I say, I've held the best
For helping me to grow
I owe a lot I know to all the girls I've loved before

The winds of change are always blowing
And every time I tried to stay
The winds of change continued blowing
And they just carried me away

To all the girls who shared my life
Who now are someone else's wife
I'm glad they came along
I dedicate this song to all the girls I've loved before

To all the girls who cared for me
Who filled my nights with ecstasy
They live within my heart
I'll always be a part of all the girls I've loved before

The winds of change are always blowing
And every time I tried to stay
The winds of change continued blowing
And they just carried me away

To all the girls we've loved before
Who traveled in and out our door
We're glad they came along
We dedicate this song to all the girls we've loved before

To all the girls we've loved before
Who traveled in and out our doors
We're glad they came along
We dedicate this song to all the girls we've loved before
