Yeah, I'm rollin' down that Texas line to see that bar
room gill.

If I'm to get fired up and mean and drinkin' time my
friends.

I know that someone's going down, that's the rumor I
hear on streets

And I take that jack and put it on my ass 'cause I'm a
redneck fuck from Tennessee.

Well I don't give a fuck no more 'cause pa's on trucker
speed.

I've done me twenty years of ridin' these lines and I
definitely got forty in me.

I'll never give in to what I fear, cause I'm dealin' with
the devil you see.

Yeah, I'm ridin' this hate train every fuckin mile and I'm
never gonna run outta steam.

Yeah damn right you better watch your ass when you're
dealing with a rebel like me.

That's right I'm a son of a son of a bitch and that makes
me Hank 3.

When I'm going down I don't need no one to be there
next to me.

I'm doing' time on this ol' hate line and I'm never gonna
run outta steam

Yeah, I'm rollin' down that Texas line to see that bar
room gill.

If I'm to get fired up and mean and drinkin' time my
friends.

Yeah I know someone's going down, that's the rumor
that I hear on streets

And I'll take my jack and put it on my ass 'cause I'm a
wild buck from Tennessee.

And I take that jack and put it on my ass 'cause I'm a
rebel fuck from Tennessee
