Everybody say's you'll let me down
I should be ashamed to take you out
Makes no difference what you use to do
Darlin' I could never be ashamed of you
Baby you were wreckless yesterday
But together we can find a brighter way
In my heart I know you'll come through
Darlin' I could never be ashamed of you
All the happiness I've ever known
Came the day you said you'd be my own
And it matters not what we go through
Darlin' I could never be ashamed of you
Maybe you were cheated in the past
And perhaps those memories will always last
Even though you'll prove to be untrue
Darlin' I could never be ashamed of you
