I went down to the river to watch the fish swim by  
But I got to the river so lonesome I wanted to die, oh  
lord  
And then I jumped in the river, but the doggone river  
was dry  
She's long gone, and now I'm lonesome blue

I had me a woman who couldn't be true  
She made me for my money and she made me blue  
A man needs a woman that he can lean on  
But my leaning post has done left and gone  
She's long gone, and now I'm lonesome blue

I'm gonna find me a river, one that's cold as ice  
And when I find me that river, Lord I'm gonna pay the  
price, oh lord  
I'm going down in it three times, but Lord I'm only  
coming up twice  
She's long gone, and now I'm lonesome blue

She told me on Sunday she was checking me out  
Long about Monday she was nowhere about  
And here it is Tuesday, ain't had no news  
I got them gone but not forgotten blues  
She's long gone, and now I'm lonesome blue
