"Neath A Cold Grey Tomb Of Stone"

Standin' by, a lonesome graveyard, everything I love is
gone,
Weeping as, they lay my darlin',
'Neath a cold gray tomb of stone...

In this world, I'm left to wander, with no one to call my
own.
And the one I love is sleepin',
'Neath a cold gray tomb of stone...

Solo

Skies above, were dark and stormin', for the sunshine
all has gone,
And the one I love is sleepin',
'Neath a cold gray tomb of stone...

My heart's dead, and yet I'm livin', wanderin' through
this world alone,
I wish that I was with my darlin',
'Neath a cold gray tomb of stone...
'Neath a cold gray tomb of stone...
