This song is written and dedicated for G.G Allin

Pt. I

I drink a lotta whiskey, smokin all the time
I'm gettin fucked up every god damn night
Everybody's doin cocaine and startin up fights
And I'm livin fast and hard and dyin hard with my god
damn
Loaded fists of fury, doin what I do
And I'm spittin in your face because I'm dominatin you
Livin hard and doin time cuz I don't give a fuck
I've been beat down and thrown around and now you're
out of luck

Punch...Fight, Fuck
Punch...Fight, Fuck
Punch...Fight, Fuck
Punch, Fight, Fuck

Well I'm always gettin loaded on the evil side of town
That's where I'm hangin out cuz I'm always feelin down
Livin fast and lonely, doin what I do
And I'm lookin for a whore gunna fuck her black and
blue
My blood is like a poison, always raping you
Til I make you see a side that you never ever knew
Doin what I'm doin and I'm always fuckin hard
And I'm doin dope and smokin smoke and now I'm
stealin cars

Punch...Fight, Fuck
Punch...Fight, Fuck
Punch...Fight, Fuck
Punch, Fight, Fuck

I drink a lotta whiskey, smokin all the time
I'm gettin fucked up every god damn night
Everybody's doin cocaine and startin up fights
And I'm livin fast and hard and diein young with my
god damn
Loaded fists of fury, doin what I do

And I'm spittin in your face cuz I'm dominatin you
Livin hard and doin time cuz I don't give a fuck
I've been beat down and thrown around and now you're
out of luck

Punch...Fight, Fuck
Punch...Fight, Fuck
Punch...Fight, Fuck
Punch, Fight, Fuck
Punch, Fight, Fuck

(And plus the fact that I don't fit into a certain genre, I
don't fit in with this band or that band and I don't play
this game or that game ya know, I don't kiss the
political ass of the music system, I do it my way, above
all, any way I feel, with anyone I can get who's willing to
come along for the flight)

Pt. II

Well I drink a lot of whiskey and I'm smokin all the time
And I'm gettin fucked up every god damn night
Everybody's doin cocaine and startin up fights
And I'm livin fast and hard
And dyin young with my fists upright

Livin fast and lonely, doin what I do
And I'm spittin in your face because I'm dominatin you
Livin hard and doin time cause I don't give a fuck
And I've been beat down and thrown around
And now my friend you're out of luck

Cuz I Punch Fight Fuck (Punch Fight Fuck!)
Just to get me along (Just to get me stoned!)
I've done my share of raisin hell since the day I was
born
Yeah I Punch Fight Fuck (Punch Fight Fuck!)
Just to get me along (Just to get me stoned!)
And I've done my share of raising hell ever since '71

I'm always gettin loaded on the evil side of time
That's where I'm hangin out cuz I'm always down
Livin fast and lonely and using what I use
And I'm lookin for a whore and I'm gonna fuck her
black and blue

Cuz I Punch Fight Fuck (Punch Fight Fuck!)
Just to get me along (Just to get me stoned!)
Well I've done my share of raisin hell ever since the
day I was born
Yeah I Punch Fight Fuck (Punch Fight Fuck!)
Just to get me along (Just to get me stoned!)
And I've done my share of raising hell ever since '71

Well I'm always fuckin drinkin, drinkin myself blind
Drinkin my own blood because I'm above the human
kind
Don't give a fuck and I'm always fuckin mad
And don't you ever think about puttin me in your god
damn rehab

My blood is like a poison always rapin you
It's gonna make you see a side that you never fuckin
knew
Doin what I'm doin and I'm always fuckin hard
And now I'm doin dope smokin smoke
Sometimes I gotta steal me a car

Cuz I Punch Fight Fuck (Punch Fight Fuck!)
Just to get me along (Just to get me stoned!)
I've done my share of raisin hell since the day I was
born
Yeah I Punch Fight Fuck (Punch Fight Fuck!)
Just to get me along (Just to get me stoned!)
And I've done my share of raisin hell ever since '71
Yeah I've done my share of raisin hell ever since the
day I was born
