Well I'm a runnin' and gunnin'  
a little bit crazy,  
got half drunk on the day they made me  
I don't know why,  
I guess it's in my genes  
Well I'm a runnin' and gunnin'  
a little bit shady,  
got half-stoned on the day they made me  
I don't know why,  
I guess I'm dangerous and mean  
(You better)  
look out baby, oh you better watch out!  
look out baby, oh you better watch out!  
look out baby - I'm dangerous and mean  
look out baby, oh you better watch out!  
look out baby, oh you better watch out!  
look out baby - I'll drop you to your knees  
Well I'm a runnin' and gunnin'  
a little bit shady,  
got tattooed on the day they made me  
I don't know why,  
I guess I'm dangerous and mean  
Well, I've got my 4-speed 2-door Chevy,  
driving outta hell like Satan's gonna catch me,  
I don't know why - I guess it's in my genes  
(You better)  
look out baby, oh you better watch out!  
look out baby, oh you better watch out!  
look out baby - I'm dangerous and mean  
look out baby, oh you better watch out!  
look out baby, oh you better watch out!  
look out baby I'll - drop you to your knees  
Well I'm a runnin' and gunnin'  
a little bit crazy,  
got half-drunk on the day they made me  
I don't know why,  
I guess it's in my genes  
Well, I've got my 4-speed 2-door Chevy,  
driving outta hell like Satan's gonna catch me,  
I don't know why - I guess I'm dangerous and mean  
(You better)  
look out baby, oh you better watch out!

look out baby, oh you better watch out!  
look out baby - I'm dangerous and mean  
(You better)  
look out baby, oh you better watch out!  
look out baby, oh you better watch out!  
look out baby I'll - drop you to your knees
