Get Stoned -- Stoned, stoned (x3)
My days are fallin'
The devils callin'
He's jonesin' for my own addiction
To kill prey
Bust your face
With pain, hate, selfish ways
Blood is runnin' down your face
Well, suicide is how you pray
I know that I'll have my day
of slowly
Wasting Away

Get Stoned -- Stoned, stoned (x3)

To kill that prey and bust your face
with pain and hate and selfish ways
My days are fallin'
The devils callin'
Always jonesin' for my addiction
Blood is runnin' down your face
Well, suicide is how you pray
I know that I'll have my day
of slowly
Wasting Away

Get Stoned -- Stoned, stoned
Can't Stop -- Don't stop, stop
Can't Stop -- Don't stop, don't

My days are fallin'
The devils callin'
Jonesin' for my own addiction

Stoned
