I don't want go home, I'm having too much fun
Looking for things in life that I've never done
I don't want go home, I'm having too much fun
'Cause when I'm home alone, I'm a little bit down

My poor heart broken when you said goodbye
I cried and tried to drink myself till I died
Sleeping alone, there's a thing that's hard to do
When I'm lying here thinking of all the things we used
to
do

[Chorus:]

And Lord I'm falling further, day by day
The devil's moving in and he's gonna stay
And Lord I'm falling further, day by day
The devil's moving in and he's gonna stay
The devil's moving in and he's gonna stay

[Instrumental]

[Chorus:]

And Lord I'm falling further, day by day
The devil's moving in and he's gonna stay
And Lord I'm falling further, day by day
The devil's moving in and he's gonna stay
The devil's moving in and he's gonna stay

The devil's moving in and he's gonna stay
No, oh ohh, no, no, ohh
