Well the grand ole opry aint so grand anymore
Did you know Hank Williams aint a member but they
keep em outside their door
Hell they didnt even really want Johnny Cash back in 74'
Said the grand ole opry aint so grand anymore

Well they were nervous about Waylon cause he had a
crooked smile
For many many years they never wanted Bocephus
cause hes too god damn loud
Did you really think they ever wanted Johnny Paycheck
hanging around
Hell naw cause their too up tight wild
For real rebels like to get down

To most people listening to this it might seem like im
talking shit
But if you look behind the scenes of whos pulling string
well god dammit it'll make ya sick
Hank Williams still aint reinstated and i'll tell ya thats
fuckin bullshit
And if king jimmy martin if he was still here he'd tell em
all to fuckin suck his dick

Well they were nervous about Waylon cause he had a
crooked smile
For many many years they never wanted Bocephus
cause hes too god damn loud
Did you really think they ever wanted Johnny Paycheck
hanging around
Hell naw cause their too up tight wild
For real rebels like to get down

And the grand ole opry aint so grand anymore
Well they done fucked off the people that made it when
it wasnt shit before
Hell they didnt even really want Johnny Cash back in 74'
Said the grand ole opry aint so grand anymore

Naw the grand ole opry aint so grand anymore
Did you know Hank Williams aint a member but they

keep em outside their door
Hell they didnt even really want Johnny Cash back in 74'
Said the grand ole opry aint so grand anymore

You know it makes me wonder folks
Has the opry sinned?
