I got ketchup on my blue jeans
I just burnt my hand
Lord, it's hard to be a bachelor man
I got girls that can cook
I got girls that can clean
I got girls that can do
anything in between
I got to get ready
make everything right
Cause all my rowdy friends
are comin' over tonight

Do you want a drink?
Hey, do you want to party?
Hey, honey, this is ole Hank
ready to get the thing started
We cooked the pig in the ground
got some beer on ice
And all my rowdy friends
are comin' over tonight

Now, my party pad is
out in the woods
It's a long long way
from here to Hollywood
But I got some natural queens
out on the floor
And ole Miss Mississippi
just walked through the door
Got a little whirlpool
just made for ten
And you can jump out
and you can jump in
You can do anything
that you wanna do
But, uh-uhh, don't you step
on my cowboy boots

Do you want to drink?
Hey, do you want to party?
Hey, this is ole Hank
ready to get this summer started

I cooked a pig in the ground
we got some beer on ice
And all my rowdy friends
are comin' over tonight

Do you want to drink?
Hey, do you want to party?
Hey, hey, this is
rockin' Randall Hank
ready to get the summer time started
We cooked the pig in the ground
We got some beer on ice
All my rowdy friends
are comin' over tonight

That's right, come on in
